1 DEPARTMENT OF CORRECTIONS

Mission: The mission of the Department of Corrections (DOC) is to provide a safe, secure, orderly, and humane environment for the confinement of pretrial detainees and sentenced inmates, while offering those in custody meaningful rehabilitative opportunities that will assist them with constructive re-integration into the community.

Services: The DOC operates the Central Detention Facility (CDF) and the Correctional Treatment Facility (CTF). Both facilities are accredited by the American Correctional Association (ACA). The department has contracts with two private halfway houses: Fairview and Hope Village; these are often used as alternatives to incarceration. Like other municipal jails, 60 to 70 percent of inmates in DOCs custody have one or more outstanding legal matters that require detention, while the remaining are sentenced inmates, parole violators, or writs and holds. Median lengths of stay for released inmates are 31 days or less. Ninety percent of DOCs inmates are male. DOC also houses female inmates and a small number of juveniles charged as adults at the CTF. Each facility offers inmates a number of programs and services that support successful community re-entry. These include: - Residential Substance Abuse Treatment (RSAT); - Re-entry preparation (Re-Entry); - Institutional Work Details and Community Work Squads; - Job-readiness Training (together with the Department of Employment Services (DOES)); - Special Education (through the District of Columbia Public Schools (DCPS)); and, - Adult Education and GED Preparation provided by DOC. American Correctional Association (ACA) and National Commission on Correctional Health Care (NCCHC) accredited comprehensive health and mental health services are provided through Unity Health Care (contractual) and the D.C. Department of Behavioral Health. In addition, facilities provide inmate personal adjustment and support services, such as food services, laundry, religious programming, visitation, law library, inmate grievance process, etc. DOC facilities operate twenty-four hours a day, 365 days a year.
